

**NOTES FROM THE 1ST ST JUST IN ROSELAND PARISH – THE WAY FORWARD PHYSICAL
& SOCIAL WELL-BEING WORKING GROUP (PSWBWG) MEETING HELD IN THE
MILLENNIUM ROOMS ON TUE 18 JUNE 2024**

Attendance:

In the room: Simone Kennett (SK) (Chair), Sheelah Goldsmith (SG), Andrew Prince (AP)

Apologies: Faisel Baig (FB)

1. Welcome. Chair welcomed all and expressed thanks to AM for creating the structure and crib sheet for the meeting – introductions made.
2. Scope. As a union of the 2004 Health & Social Care and the Entertainment sections, this WG should cover the scope of both. In addition the topics of mental health and the spiritual dimension should be considered
3. Vision. No formal vision was agreed but the 'red notes' in the calling notice were supported.
4. Review of 2004 Action List. The assessment of the 2004 action list was judged to be 'sound'.

Health & Social Care

- a. Investigate access to health facilities elsewhere (is this not for the Surgery & RSPG?)
- b. Lobby health service for increased coverage (recent 'success' with Pharmacy contract. No other 'increased coverage' likely)
- c. Instigate a Community Responder scheme in the parish (complete - through Fire Service)
- d. Basic first aid training to be held regularly (is this pragmatic and, if so, offered?)
- e. Liaise with Devon & Cornwall Constabulary to promote easier communication with local force (surely we just talk to Tregony Station?!)
- f. Contact local police force (= talk to Tregony Station?)

Entertainment...

- g. Encouragement of local residents to undertake initiatives such as the 'Carn to Cove' touring scheme (yes - what schemes are available. Isn't this a role for the Visitor Centre?).
 - h. Further research into demand for type of activities (one for Community Consultation)
 - i. Conduct an audit of community facilities and consider the costs involved to repair and improve the standard of these public amenities (certainly needed in light of recent work on Roseland Centre and Youth Club)
 - j. Consider what other services could be offered in halls to make them more sustainable – e.g. ICT facilities, health facilities, pre-school/child care, banks (cash point facilities) etc...(one for Community Consultation)
 - k. Seek funding & advice from the appropriate agencies. Enlist the assistance of the wide range of partners that provide many of the services required (applicable on a project by project basis rather than generically)
5. Major Issues to be Addressed. The WG agreed on the following:
- a. Links with Transport WG as use of community bus thought important and provision of cycle pathways (NT?)
 - b. 20 mph limit good for mental health of pedestrians
 - c. Publicise local footpath networks
 - d. Stop privatisation of public spaces or perceived public spaces e.g. access to St Just Bar long established now problematic
 - e. Lobby for a bus stop shelter and bench for St Just to encourage greater use of the bus and at Halwartha to protect the schoolchildren
 - f. In light of climate change should there be a local emergency response group? E.g. if the electricity supply locally failed
 - g. Social Prescriber post could be extended to substitute for extended family / volunteer support
 - h. Could the Football Ground be more available for all but specifically the youngsters?
 - i. Should there be a Wellbeing strategy for the whole of the Roseland? Is there a need for a room available to hire by different therapists? Concentrate on which bits of land for building/developing
6. Terms of Reference. The draft Terms of Reference were approved.
7. Elect WG Chair. SG volunteered to be chair of the WG.

8. Any Other Business. Given the lack of support this evening maybe a rethink about Community involvement is needed – a different tack? Maybe a coffee and chat event? Maybe the WGs need combining? WG members would like to see a draft of the proposed questionnaire before distribution for comment.

9. Date of Next Meeting. None set.

Simone Kennett

Interim Chair

St Just in Roseland Parish - The Way Forward: Physical & Social Well-Being Working Group
