

3f Shops

My shopping habits are St Mawes centric as they are losing a butcher and gaining a perfumier

11a Not addressed

No mention of need for care in Parish for our ageing residents. Community orchard/community horticulture. Voluntary visitor tax to fund environmental projects

Regularly use local tradespeople concerned affects on these if we adopt St Ives example

Local training for trades affiliated to local colleges. Local horticulture

I make sure I support local shops

Clear exposition of available building sites and who owns them would be useful

Prices cant compete with supermarket

Keeping school open which is dependent on social housing being available keeping young families in village

sustaining local shops needs to be supported by a public transport system

Supporting local primary school

New retail units to be built and owned by the village

Cost of carparking when attending local community events

Homes delivery service from local shops

Recycling. Public Transport

Farmers market needs to be a proper one not pseudo craft

Double tax on 2nd homes could affect tourism and employment

Farmers market brilliant idea

One way system from St Mawes Hotel to Upper Castle Road

How to make core retail shops more viable?

more bus stops with shelter

Extend market already held in Memorial Hall

address housing occupied <9months pa. Decline in fishing. Designated parking for locals in Aug

Support for local shops in vital

encourage local shopping, Parish directory of local facilities

Farmers markets must be about food not crafts

Public Tpt

I do all my shopping in village. Losing butcher was bad. Too many knick knack shops.	Failed to address sustainability
holiday letting coys should info visitors of local facilities. Too many supermarket deliveries	Toursits need bad weather provision - cosy reading room in Victory?
Support for locals' agenda. CC taxes to support community	Activities for younger people
Concentrate on shops addressing day to day needs	If more housing need more shops - esp butcher, greengrocer - which will need supporting.
Current range is too limited	local shop closures
Why want more visitors at farmers market?	Wealthy second home owners should be invited to provide financial support to local causes. Too many public hall available
I already shop local	Car parking - not enough and needs to be cheaper. Place Ferry inefficient
Farm shop at Curgurrell: they need to market themselves better	Car parking - esp in Pedn Moran, Buckeys Lane, Freshwater Land
too many online food deliveries	Health provision, policing, general attractiveness & tidiness
logo sticker divisive	Restrict large buildings esp if second homes
Yes to Farmers Market as long as does not damage local business	All important issues have been covered
local shops important to community but will only survive if economically viable	parkign on Marine Pde should be restricted.
we ALWAYS support local shops	electronic bus arrival display. Maintain paths, kerbs & bus shelters
I now longer use large supermarkets but support local	residents parking should be provided

Support Farmers market. Loyalty card would not help	Incentives for families and young people to live on Roseland
Could Coop do local delivery? Local private delivery service?	empty homes, public WC, potholes & pedestrian safety. The bones of management exist - do not destroy them
Why do we need a local logo sticker?	Business accn needs to be fit for purpose (eg butcher and baker inadequate?)
We already support	missing a reasonably priced child friendly sit in eat in restaurant
how would loyalty card work? Dependent on tourism	upset by 2 types of second home owner: council tax & business rates. Not fair!!
what purpose of local sticker? Free parking for 1 hr in purchasing in local shops?	affordable housing for locals. No shared ownership reasonably priced at market rate
Farmers market must not detract from local businesses. I shop local	Car sharing. Parish based minibus.
Coop does not support the village	Needs more permanent car parking. Main tourist season is getting longer
Logo sticker in shops but NOT homes	airbnb & holiday lets should be treated differently from second homes
loyalty cards are divisive	local services: child care, medical, dental, activities for kids, indoor play area etc
Shops to be promoted are those providing everyday needs	Do we have adequate sports facilities? Encourage exercise
Coop excellent. Lack of butcher a great shame. Regular visiting butcher? Veg stall in St J is brilliant. Excellent baker. Discourage supermarket vans. Rental agencies should ask clients to shop locally. Farmners market good idea	Congratulations on your thoroughness
In summer, no food in Coop for locals after work	second home ownership has a negative effect on parish and community
stop making everything for visitors and business. I used to live here and it is sad to see how it has gone	too many of these questions have multiple qs within them
letting agents should promote local shops and include vouchers	What ratio residents/holiday makers is acceptable?

Local parking scheme to help support local shops. CC use parking as a cash cow. 1hr free is not enough

AONB has not been considered. Think of true community not visitors and commercialisation

Shops & businesses are all dependent on summer trade. Retail decline is worse in Oxford St.

Later ferries, Gym & swimming pool.

We need shops selling all round supplies (eg butchers)

AONB is not considered. You are pretending to be interested but it is not genuine

What is a Farmers' Market in reality?

Edn & childrens facilities. Roseland Centre a step in the right direction

Activities for children

Alternative energy solutions

11b Missing from Parish

Family affordable housing

Clearly housing

Family housing for <£100k

Social and affordable housing

Social housing, butchers shop, extended tourist season

Dog walking footpath access

Young families. Affordable restaurants

transport. Medical. Elderly social care youth services

Joined up thinking to avoid replication

Housing. Transport

People who do not understand the ethos of the village

safer roads and more 20mph

need a Butcher

11c Anything Else

The retention of a vibrant community is about much more than just the provision of suitable/affordable housing and requires effort and change from all elements of the community to sustain what is most precious about the parish.

Stop development of homes which are not lived in as it fails to address affordable housing

Recreational opportunities for 13-16 age group

Encourage the solar panels on shed roofs and over car parks rather than eyesores on agricultural land

Attractive business rates for local businesses

My wife and I are 78 and 85 and regret being unable to contribute actively to the campaign which we fully support

greater conservation consideration

Recent building projects are changing the character of the parish

Needs to be a limit to visitor number. Don't become a theme park. Don't need more galleries or holiday rentals. Not everyone depends on tourists. Off season important for viability of locals

local tax incentives for small businesses

cannot predict next 10-20 years - beware expensive mistakes

Explore grant for community cooperative energy coy. Need pub in St J. Local recording studio for musicians.

not enough evidence here to make decision that will impact each other

more exercise groups. More street cleaning

how does this fit with the Roseland Plan, Cornwall Housing Strategy and Govt Housing Strategy? Need more externally validated research and funding for ideas

housing for locals

A strategy to affect holiday to full time ratio having decided what is optimal. A strategy to promote and support shoulder season tourism

Appreciate the support/work that second home owners provide

do not approve of this at all

If encourage more visitors - where park?

Rental property for locals lowers dignity and does not feel secure. Mixed developments exacerbate local divides between 'haves' and 'have nots'

Footpaths linking more off road, ferry st Mawes - Percuil. Minibus route to Truro via KHF.

stop gross offensive commercialization

Children

St J needs to be made safer for children

Residents with children

I doubt that this will have any different impact to 2004 Local Plan. Some second home owners contribute more to village life than others.

hardware shop

Please, please, please declutter signs from the road network.

Decent shopping - esp food (we have a much better Coop at home)

housing

Village evenets where tourists are made welcome. More water based activities for children. Fishing tackle shop.

Respect for the environment, moving away from obsession of making money from tourists at expense of local commuity, environment and occupied housing.

Housing for locals. Workspace facilities

Need a footpath officer

affordable housing

land & housing

affordable housing for local people

need something for 11-17 year olds

free public toilets, pavements to reach
Primary School, street lighting

needed better proof reading

a 10 year vision is a good way forward

Need to understanding needs for each
part of community. A strategy to limit
over-represented parts of community.

What is evidence for people wanting to
live in village if little employment?

Young people

care for the AONB. Shrinking
community not acknowledged
natural landscape is the jewel in the
crown

Not much! It's lush here

The problems here are no different to
the rest of the country

More bins for dog poo required and
signs telling people to clean up after
dogs

Butcher and greengrocer
