# **VISION**

**A parish in which relevant  
information is readily accessible**

## STAGE 1 RESULTS

Survey suggests we are already close to the vision. Several good suggestions were made (see website): we would support anyone wanting to pick up and run with any of these ideas. Conclusion: efforts of volunteers are better focussed on more pressing proposals identified in other Working Groups

We asked: between them, do Roseland Visitor Centre, Notice Boards, Roseland Magazine, FalRiver Area Guide, internet and Social Media address most information needs – you said
